

# 2016-17 Early College EAST Engineering Club Application

---

## About

The Early College EAST (ECE) Engineering Club promotes student participation in science, technology, engineering, and mathematics (STEM) through projects, contests, and other initiatives. The ECE Engineering Club will be participating in the 2017 Nanoline Contest.

## Meetings:

**Meeting Place:** ECE Main Building – Room 109

**Meeting Times:** Engineering Club meets during Lunch Monday through Thursday, Friday after school from 12:00 – 4:00, and occasionally after school and weekends.

## Transportation:

If you are participating in the ECE Engineering Club you are responsible for your own transportation. Craven County Schools and Early College EAST does not encourage students to accept rides from individuals other than their parent or guardian.

## Team Information:

The ECE Engineering Club is comprised of a Junior Varsity and Varsity team. Team assignment will be a continuing student evaluation. This assessment is based on a several factors such as attendance, experience, performance, and personal matters.

### *Junior Varsity (JV)*

The JV team is a developmental group consisting of a maximum of 6 students. The objective of the JV team is to introduce students to research, design, programming, and to develop their communication, and teamwork skills necessary to compete in the Phoenix Contact Nanoline Contest.

### *Varsity*

The varsity team is an experienced group consisting of a maximum of 6 students. The objective of the varsity team is to mentor the JV team students and to compete in the Phoenix Contact Nanoline Contest.
